

Winter Specials

[YUMI Keratin Lash Lift](#) is an advanced technique designed to boost, lift, darken and volumize your own natural eyelashes without the use of glue, harsh chemicals and does not cause any damage to your lashes. Yumi lashes have been used in France for over 8 years, and last for up to 3 months. Your first treatment includes a Keratin mascara to help nourish, boost and make your lash lift last longer. Be one of the first on the Island to try this amazing alternative to lash extensions!

~90 Mins, \$180.00
